### *The President's Message*

I trust by the time you read this we will be out of the threat of a major snow storm. I am looking forward to spring. Remember to clean gutters and storm drains in preparation for the spring showers.

The Social Committee is looking for help with upcoming events this year. We need help with the Movie Night, Dumpster day and Shred-it day to name a few. Some of these affairs might have to be canceled if no one comes forward to assist us.

See the flyer for information on the **Easter Egg Hunt**. We are looking for volunteers to come early to hide the eggs. Call **Sharon Johnson, 410-370- 9731**, if you can help with this or any other events.

I have had several calls about the work being done in the community by the county. Please read the **Water Transmission Line** article in this issue.

Recently some cars in our area received \$52 tickets for parking the wrong way on their street. Be forewarned, that is a violation. Even if you have been doing it for years, it is better to be safe than sorry.

We have been having articles stolen from unlocked cars from time to time in the valley. Remember to lock your vehicles and take valuables inside. Go to our web site to see other precautionary measures you should take.

The Annual Meeting of the WVICA will be held Wednesday April 24, 2013 at 8 PM. We are looking for new Board Members to help us keep the Valley a pleasant place to live. Please consider becoming a Member. Call **Tina Brown 410-747-7069**

Happy Easter!

PLEASE DO NOT PUT "THE LAMPLIGHTER" IN MAILBOXES!

**ATTEMPTED BREAK-IN**

A resident on Lincoln Woods Drive reports that while she was at home in mid-February at 2 p.m., someone tried to break in through her front door. She had come home from work earlier than usual. She had locked the front door immediately when she arrived, but the criminal still tried to get in. He pushed on the door with his weight and tried to "jimmy" the lock. When he saw the resident through the translucent glass, he ran away. She had called the police, but he was gone. She now has a security system.

## WATER TRANSMISSION LINE FOR ROLLING ROAD AREA

Baltimore County is constructing a new water main to serve the Rolling Road Water Tank, near Windsor Mill Road. Two miles of new 24-inch diameter line will be installed in Powers Lane, Lincoln Woods Drive, Johnnycake Road and Fairbrook Road to supplement the existing line and to build redundancy for pressure and flow into the system. The project, using bar-wrapped concrete cylinder pipe to facilitate repairs in the distant future will begin in early July 2012 and expected to take 18 months. It should be completed before the end of 2013.

## “SCOUTING FOR FOOD” 2012 REPORT

The need is great! Programs such as “Scouting for Food” provide a way for community members to assist in filling both the need to provide scouting service projects and the materials/supplies to help meet community needs.

As one of many service projects, both Boy and Girl Scouts have been participating in a winter food collection project for many years now. In mid-April 2012, Scouts met at the Woodbridge Valley Pool and walked several area neighborhoods to distribute food collection bags, bags that look like ordinary shopping bags but may have contained a flyer explaining the “Scouting for Food” project. Then in late April, Scouts returned to those same streets to collect any donations. Many thanks are extended to anyone who contributed in any way as Woodbridge Valley area results were again high at **more than 1,200 food items!!**

Many organizations are willing to accept food donations, so the decision on where to take donations is not easy. However, area scout groups have committed to the idea that food collected locally should remain local. So, all 2012 proceeds went to local food ministries, including the CEFM Network (formerly Catonsville Emergency Food Ministries), Southwest Emergency Services (SWES), Beechfield United Methodist Church and Church of the Crucifixion.

As a result of past successes, Scouts will be out in Woodbridge neighborhoods again. Bags with flyers will be distributed throughout the week of **April 14** in different areas of Woodbridge Valley and collections will be gathered on Saturday, **April 20**. As in the past, items collected will be sorted and delivered to local food ministries, including one in Woodlawn this year. Attempts will be made to collect food items left at individual homes, but Scouts are grateful that Woodbridge Valley Pool will again allow use of the grounds for sorting the donations as well as for use as a drop off location. For more information on how to donate or how to participate, contact Sharon Loving at 410-747-4750 or via email at [sloving@verizon.net](mailto:sloving@verizon.net). Thanks again.

### **SOCIAL COMMITTEE NEWS**

The WVICA Social Committee is few in number, but continues to plan community-wide activities for the benefit of all. We need your ideas and support to help us continue offering activities such as yard sales, youth activities, Dumpster Day, Shred Day, etc. Our annual Easter Egg Hunt will be held on Saturday, March 23<sup>rd</sup> (refer to the flyer for additional information). Our annual Spring Yard Sale is being planned. WVICA will cover the cost for teen residents to attend a Teen Pool party at the Woodbridge Valley Pool again this summer. Our biennial Family Movie Night will be back this summer – to be held at the Woodbridge Valley Pool in August. An Adult Mystery Night is in the works for fall 2013.

## **WVICA ANNUAL SHRED DAY**

We had a successful Shred Day on October 6<sup>th</sup> near the intersection of Crosby Road and King William Drive. Shred Day is one of the most popular services sponsored by WVICA FREE-OF-CHARGE for WVICA members. Our goal is to help combat identity theft through document shredding. Members lined up awaiting the arrival of the PROSHRED® Security truck. Over 5,000 pounds of unwanted papers containing personal information were shredded! PROSHRED® provided a Certificate of Destruction confirming that all documents were destroyed.

We thank everyone who attended and hope to see you again in October 2013. Thank you to all of the volunteers who helped check membership cards, direct cars, and dump paper into the bins. Additional identity theft prevention tips and reporting resources can be found online at: [www.ftc.gov/idtheft](http://www.ftc.gov/idtheft).

## **YOUTH WINTER BOWLING PARTY**

WVICA hosted its first Youth Winter Bowling party on Saturday, December 15<sup>th</sup> at AMF Westview Lanes located at 5647 Baltimore National Pike. This activity was free for the children and grandchildren of Woodbridge Valley residents up to age twelve. First-time bowlers were assisted by AMF Youth League coach, Mr. George Roycroft. Judging by the smiles and laughter, it seems that everyone had a great time. Delicious pizza and a drink were served and a candy cane filled with candy was given to all youth in attendance! The staff was very accommodating and we will consider having another bowling party in the future.

AMF Westview's Saturday Youth League bowls every Saturday through the last Saturday in April beginning at 10:00 a.m. Youth aged 4-21 years of age are invited to be placed on a team, learn proper bowling techniques, meet new people, and have fun! Contact AMF Westview for more information.

## MEMBERSHIP DRIVE

This year the membership drive was lower than normal. It is still not too late to mail in your dues. See the form below.

We use this money to sponsor events, maintain the islands, support the Scout troops, softball leagues, summer concert series and to maintain the covenants to name a few things.

If you are a block captain or area representative and have not turned in your envelopes, please do so as soon as possible.

If we all do a little, much can be accomplished.
